*presents*

## *FREE Horror Soundtracks Vol. 1*

---

Greetings,

We would love to personally thank you for having downloaded our sample pack. If you are interested in the contents of this Asset Package, we encourage you to read on. If you have the time to leave a **review** on the Asset's Store Page, it would **help us** a ton. Having said that, let's dive right into it!

Arya of Terror

## *Package Description*

*FREE Horror Soundtracks Vol. 1* by Arya of Terror contains 5 creepy and spine-chilling soundtracks that will make sure your players never sleep again. Keep in mind that this asset package is just a tiny version of the FULL package found right here:

<https://assetstore.unity.com/packages/slug/197139>

To make the most out of these soundtracks, we highly encourage you to purchase the full sample pack.

## *Package Contents*

This asset package features 5 original horrific soundtracks. We've made sure to keep this asset package as interesting and varied as possible, while making it extremely simple to implement into your own creations.

## *IMPORTANT NOTE*

Although this document shows the suggested use for this Sample Pack, creativity has no limit and we highly recommend that you also use these soundtracks outside of their intended use; who knows what they will bring?

*All audio files are subject to the Store LICENSE.*

"We hope you'll find this package useful while making your game. Let the spooky adventure begin!"
